Directions & Parking to Fiesta Island

From I-5, take the Sea World Drive exit and head southwest. Then make a right onto East Mission Bay Drive, then a left to Fiesta Island. Follow the road (one-way road) and take the left when the road splits. Follow the road until it bends left and park near the fence on the right. This is *past* the large parking area that is at the beginning of the dog area. Look for the SDRRC signs.
